Chief, Archives and Records Center

STAT THROUGH: [redacted] Chief
Information Records Management Division

STAT FROM: [redacted] Records Control Officer,
Classification Review Division, OIS

SUBJECT: Assignment of Dummy AARC Job Number

Oct 3 9 15 AM '86

1. Some DO controlled documents reviewed in the Historical Review Program no longer retain an AARC job number identity. Most of these documents are from the SSU/CIG pre-CIA period and during previous reviews and NARA transfers have been separated from their original files.

2. CRD will log the release of these documents to NARA in the ORIS/DECAL system. This system requires use of a job number in the item record. Please issue a job number for this purpose; no material will be sent to AARC under this number.

STAT 3. Call me on [redacted] if you need further information.
